Advantages of STEEL END CONNECTORS

- ✚ Avoid frequent changes of END CONNECTORS originally made of PLASTIC (SFD) and ALUMINIUM (SFL) by replacing with our END CONNECTORS made of STEEL.
- ✚ Avoid chocking suction hood.
- ✚ Once we avoid the chocking of suction hood we will get the better quality of Card Sliver reduced Kitties, improved cleaning efficiency and improved NEP Removal Efficiency (NRE).
- ✚ Avoid frequent wire damages due to frequently broken PLASTIC (SFD) and ALUMINIUM (SFL) END CONNECTORS.
- ✚ It is a RETRO FIT which can be fitted as it without any modifications.
